

# 2025 Angler Travel and Targeting Summary: Lee County

Prepared for Lee County by Ed Camp ([edvcamp@ufl.edu](mailto:edvcamp@ufl.edu)) Assistant Professor University of Florida, and Michael Sipos, Florida Sea Grant Extension Agent Collier County, [sipos624@ufl.edu](mailto:sipos624@ufl.edu)

## How to use this summary

This summary can inform how to **advertise or promote local fishing and fishing-based tourism specifically in Lee County**. The report describes information about where people come from when they fish Lee County, and what they fish for. Where people come from (the “origin” of their fishing trip) may help identify advertising locations. The species they fish for, or “target” may inform the photos or text to use in advertisements or other outputs. All data here come from the National Marine Fisheries Service Marine Recreational Information Program. Additional information can be found in the full *Angler Travel and Targeting Report: 2021 Lee County*, which Michael Sipos can provide you.
